### **Stainless Steel Round Floor Drain**

### Features:

- Robust designs
- Seamless finish
- Low maintenance
- Light weight
- Easy installation
- High performance

### **Specification:**

Material: Steel

Usage: Industrial

Size: 105\*105mm

Manufacturer of a wide range of products which include stainless steel round floor drain, stainless steel square floor drain, brass square floor drain, designer shower floor drain, bathroom ss floor drain and stainless steel floor drain.

### **Product Details:**

With the assistance of well-equipped infrastructural setup, we are engaged in offering a quality approved a range of **Round Floor Drain** to the market. Additionally, the inputs material are of high quality and checked sternly before used in the production process.

Products Code: RFD-1011

### **Stainless Steel Square Floor Drain**

### **Product Details:**

Size: 4inch, 6inch - Size: 4inch, 6inch

We are engaged in offering a wide assortment of **Square Floor Drain**. These products are highly esteemed among clientele due to their strong construction and various sizes availability.

### Features:

Long service life Light weight, Easy to use, High strength, Excellent finish, Different sizes

### **Specification:**

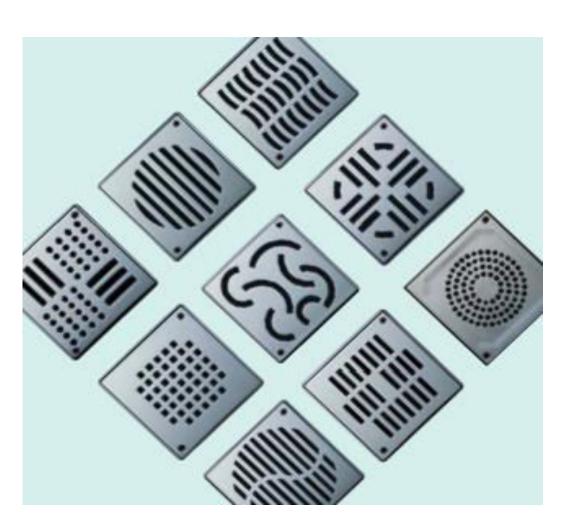

Material steel, Usage industrial

**Products Code: SFD-1012** 

### **Designer Shower Floor Drain**

### **Product Details:**

Dimension: 100\*48 Color: Gray

We are involved in offering highquality **Shower Channel Floor Drain** to our valuable customers. These products are made from high quality components.

**Products Code: SCFD-1013** 

### **Floor Drain**

### **Product Details:**

We are an eminent firm engaged in offering a \_quality assured array of Floor Drain to our valued clients at very affordable rates. This product is made by using finest quality raw material and latest machines.

### Features:

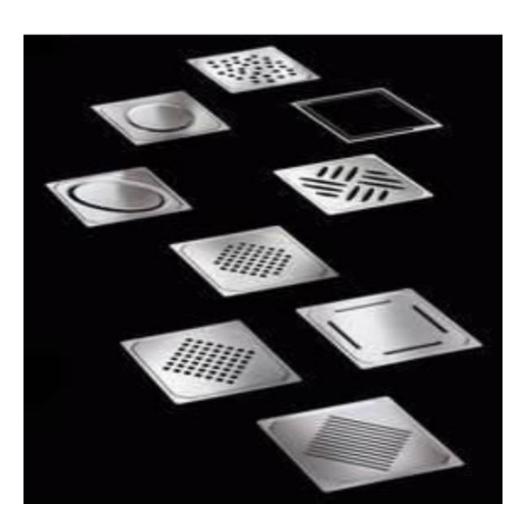

Low maintenance Easy to use Simple design Excellent strength High performance Various sizes.

### **Specification:**

Type: Drains, Application: Floor

Material: Stainless Steel

**Products Code: FD-1014** 

### **Stainless Steel Floor Drain**

### **Stainless Steel Floor Drain**

### **Specification:**

Type: **Drains** Style:

Material: Stainless Steel

Size: 100\*119

### **Stainless Steel Floor Drain**

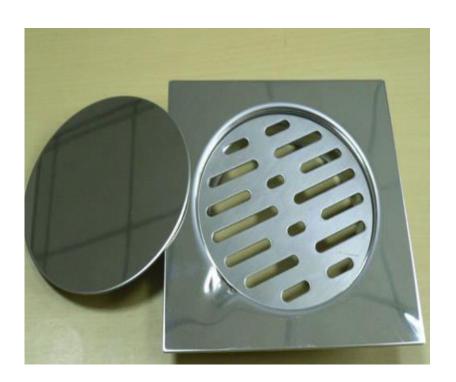

### **Specification:**

Type: Drains Style: strainer

Material: Stainless Steel

Size: 100\*119

**Products Code: SSFD-1017** 

### **Stainless Steel Floor Drain**

We are offering Stainless Steel Floor Drain to our client.

### **Specification:**

Size: 100\*100mm, 150\*150mm

Application: Floor

Material: Stainless Steel

**Products Code: SSFD-1018** 

### **Long Shower Drain**

We are offering Stainless Steel Long Shower Drain to our client.

### **Specification:**

Size: 22\*21 Type: Drains

Style: Push Down Pop-Up Material: Stainless Steel

**Products Code: LSD-1019** 

### **Shower Drain**

We are offering **Shower Drain** to our client.

### **Specification:**

Application: Floor, floor

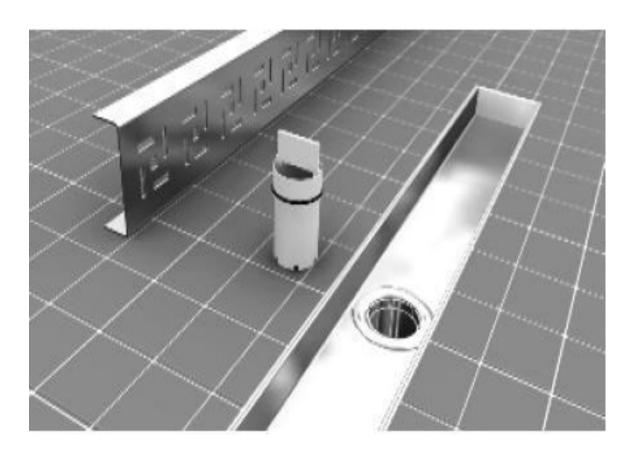

Style: Strainer, strainer Material: Stainless Steel

**Products Code: SD-1020** 

### **Shower Drain**

### **Product Details:**

Our rich industry experience in this field enabled us to provide a wide range of **Shower Drain** to our reputed clients. Offered products are checked against numerous parameters so as to ensure its excellence.

Dimension: 150\*100 - Color: White

**Products Code: SD-1021** 

Features: Low maintenance, Easy to use, simple design, High performance, Corrosion resistant, High strength

### **Shower Drain**

### **Product Details:**

Size: 10mm - Dimension: 150\*147

We have gained rich industry experience in this domain for offering a wide array of **Channel Shower Drain** to our valued clients. These products are made from high quality input factors.

### Features:

Long service life, Immaculate finish, Simple design, Easy to use, High performance, Enhanced durability

**Products Code: CSD-1022** 

### **Wall Shower Drain**

### **Product Details:**

**Size: 15mm – Dimension: 150\*140** 

With sincere intentions to maximize our reputation in the industry, we are offering a comprehensive assortment of **Wall Shower Drain** in the market. Our clients can avail this product from us at the most reasonable price as per their accurate requirements.

### Features:

Strong construction Light weight High strength Sturdy design Low maintenance Dimensional accuracy

**Products Code: WSD-1023** 

### **Glass Shower Drain**

### **Product Details:**

Size: 36mm - Dimension: 150\*47

We are offering Glass Shower Drain to our client.

# **Products Code: GSD-1024**
